# Better working conditions - we all deserve it

Negotia is a trade union for private sector employees. We organize professionally within most business areas such as service, sale, marketing, IT, administration, organization, laboratories, logistics, accounting and finance. Approximately 21 500 workers employed in the private sector are organized in Negotia.

## Your best insurance for work security

As a member of Negotia you can be confident that your rights as an employee will be protected. We will make sure that you and your colleagues have a safer, better workday. Our experienced union representatives, advisors and lawyers know your rights, and as a member you will have them on your side.

## Having an influence at work

Discussions and negotiations with management are not a given. But as a Negotia member with a collective agreement and a competent organization behind you, things are different. You will receive help and have rights that non-union members will not. Predictable working conditions is something most people want.

## Need more reasons to join?

As a member, you also get a number of benefits, such as:

- Qualified advice for your employment conditions
- Free legal assistance if you have issues at work
- Skills development through a large number of courses
- Personal follow-up and a strong member's service
- Influence and bargaining rights when entering into a collective agreement
- CV and job application quality assurance
- Private legal first aid
- Scholarship schemes for continuing education
- Favourable mortgage rates
- Favourable discounts on home, car and other insurance
